CHEF VALENTINA TAGLIENTE

*Taste, Research and Tradition*

are the principles, through *Heart and Conscience*,  
*I interpret a modern cuisine*  
that illustrates  
my *Journey*.

*My passion, my commitment and my memories to complete a menù I dedicate to you.*

*Valentina*

# This is me

My love for cooking marked the beginning of my professional journey, during which I understood who and what I wanted to be when I grew up: a Chef.

Cooking is the way in which I can share my passion and my work with you.

*Through taste and profound respect for raw materials,  
I try to enhance what is beautiful and unexpected  
in the simplest and most common gesture for everyone:  
Eating.*

## Personalized Cuisine

I create a personalized menu designed specifically for you and to make your gastronomic experience unique and personal

## Top Quality

I select high-quality ingredients from small producers: organic vegetables, meat from Grass-Fed farms and sustainably caught fish.

## Professionalism

My commitment is to preserve the nutritional values of each ingredient so that you can benefit from them.

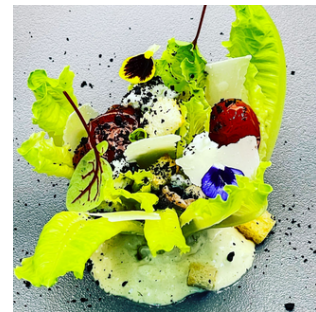

# Chef at home

*A menù for every occasion.*

## ***Traditional Menù***

Immerse yourself in Italian tradition with authentic recipes and typical ingredients.

## ***Tasting Menù***
